We, the class of 1981, dedicate our yearbook to our class advisor, Mr. Kelly. We are deeply indebted to him for all his help with our activities and fund-raising. He, too, was a "freshmen" in 1977 when we entered Bedford High School. Now we are moving on to greater things, but we will always remember Mr. Kelly and all he has done for us, the class of 1981.

### FRIENDS

### **REFLECTIONS**

It's time to go and leave this place, Oh, but we've grown used to it. I think we all loved it more Than we could ever admit.

It seems like only yesterday, That we were ready to start The best four years of our lives And now it's time to part.

The good times we had, The laughter we shared when we were together. The many friendships that kept us going, These memories are forever.

So many things we saw and did: People, places, and things. Yearbooks filled with familiar faces, Prom nights, and class rings.

The football games, the dances, And parties, parties galore. The soccer games, and hockey games, And much, much more.

But now it's time to move ahead, And some new friends find. We won't forget our old ones, Though we leave them far behind.

And as we go our separate ways, Our worries and fears less, We look back and shed a tear For good old BHS.

- Mary Stockdale

#### JUNIOR PROM 1980

COURT First row: Queen — Lori Burns, King — Eric Lundquist; Middle row: Julie Russo, Christine Miller, Mary Bruha, Debbie Manning; Back row: Richard Davidson, Mike McEachern, Neal Ward, Danny Oram.

You laughted at me You said you never needed me now

We played the games that people play We made mistakes along the way Somehow I know deep in my heart You needed me

Remembering the pain if I must say It's Deep in my mind and locked away But then most of all I do love you, still

Those memories, times I'm sure we'll never

Those feelings we can't put aside For what we had, sometimes I try to understand

But it's so heavy on my mind

So many dreams that flew away So many words we didn't say
Two people lost in a storm
Where did we go? Where'd we go?
Lost but we both were found You know we let each other down But then most of all I do love you, still

We played the games that people play We made our mistakes along the way Somehow I know deep in my heart You needed me cause I needed you So desperately We were too blind to see But then most of all I do love you, Still

#### **ADMINISTRATION**

Principal's Message

The price of success is hard work and dedication to one's own goals for the future. As you complete your high school career, each of you must now begin to apply those things you have learned which will help you to reach your goals. Keep in mind that success is not only job and financial security but rather success also means having respect for the dignity and rights of others.

On behalf of all of us at Bedford High School, congratulations and best wishes.

#### **ADMINISTRATION**

It is a pleasure again to send greetings to graduating seniors of Bedford High School through the pages of this yearbook and to the students in the other classes. The seniors were freshmen in 1977 when I was also a "freshmen" in Bedford.

I know something about their ambitions, their concerns and their dreams. If their four years' education in Bedford High School adds something to the fullfillment of their dreams and ambitions then we, their teachers, take satisfaction in sharing in this sense of fulfillment. I, too, "graduate" from the Bedford schools this year, but I will long remember this class of 1981.
